Mr. Frank Lewis,
% Peoples' Bank,
Rocky Mount, N. C.

Dear Sir:

The Newark Eagles and The Homestead Grays of the Negro National League are planning at this time to make a trip through North Carolina between August 27th and September 3rd. We would like to play in Rocky Mount, the home of The Gray's firstbaseman, "Buck" Leonard, Tuesday, August 29th.

Mr. Leonard has given me your name as the person to whom to write about handling the publicity for the game. We will ship placards directly from the Printer and would expect you to see that they are distributed, and also handle the publicity the best way possible, that is get newspapers to carry the stories, radio or any other means that you could employ. I am writing today to the Park to see if they will grant us permission to use it that day.

Will appreciate hearing from you right away if you will take care of the game for me.

Yours very truly,

AM:CCJ
